Scholarship Request Form

To be eligible for a scholarship, we ask that both scholarship recipients and their parents show a commitment to fundraising and volunteering to music programs.

Even though we understand that there are many families who are struggling financially, the DC Music Boosters are unable to give full scholarships to students at this time. In order to help more families, the decision was made to offer only partial scholarships for those that may be seeking aid.

Please fill out the information below and mail to: DC Music Boosters, PO Box 242, Dassel, MN 55325.

If you have any questions, please contact Mr. Veith (brian.veith@dc.k12.mn.us).

Scholarship Acknowledgement Form

The DC Music Executive Board will be reviewing and awarding scholarships based on the amount that the Board budgets each year for scholarships and the number of families that apply for aid throughout the year. It is the goal of the DC Music Boosters to be able to award some aid to each family that applies. However, once those budgeted funds have been used, the Board has the right to refuse scholarships for students.

Once the DC Music Executive Board decides on the amounts awarded, you will be notified by mail.

For each scholarship awarded, DC Music Boosters requires the student and family to do the following:

- 10 hours of volunteer time throughout the year for the Music Program.
 - For example: Work at a fundraising event, help with Marching Band or Drumline uniforms, help build props for Drumline, etc.
- Student MUST be an active participant in concerts and Music events throughout the year.

If the student and family do not follow-through with these requirements, future scholarships will not be awarded.

By signing below, the student and parent/guardian acknowledge the above terms and requirements and agree to contact a Music Director with any questions or concerns.
