Financial Report

Marching band donations are at \$24,282.86, this includes donations from more Lion's groups, the dessert table at the porkchop dinner and cash donations. Las Vegas marching band student deposits are currently at \$9875.00. A more detailed financial report is available from Kyle Myers.

Mulch fundraiser

It has been VERY successful! Students sold \$7987.00 worth of mulch, bill must still be paid.

Porkchop dinner fundraiser

The meal is always amazing and the Lions do a wonderful job. Thank you to the Lions for their support!

Things to think about for next year:

- Dinner starts at 4:45 so there were many requests for the jazz band to change their performance time. Could they perform in the hallway across from the lunchroom?
- Microphones! Choir sounded beautiful, but hard to hear.
- Scheduling must be more clear.
- No directors were present - at least one adult leader should be there to support the kids. Who is responsible for all the students there? Who lines up the piano and microphones?
- 85 kids in marching band, only 2 or 3 stayed to help clean up.
- Does color guard have to sell tickets? If not, could they be assigned clean up?

Choir update

Chamber choir is still working on having a "runout" Sunday where they would perform at area parishes for Sunday services. No date has been scheduled as of today. Middle School choir room is in need of new piano, this is a capital budget item that should be covered by the district. Students are being surveyed about their availability for a retreat and a recording night, dates are still being decided.

Instrumental Music

60 students have put down a deposit for the Las Vegas trip. Some of these are color guard people as well. Next deposit will be due on Friday, May 11th.

Formal wear is being looked into for the symphonic band, a grant or other monies will be sought.

Mattress Fundraiser

Flyers and posters are available and have been handed out.
